MAJOR DONOR HONOUR ROLL

2021

Celebrating outstanding Leadership and generosity in Winnipeg

To learn more about the many ways you can make a positive difference in your community through United Way Winnipeg, visit unitedwaywinnipeg.ca

United Way Winnipeg makes every effort to ensure all names are spelled correctly. However, mistakes do happen! If we have misspelled or omitted your name, please accept our apologies and contact us at 204-477-5360. Information accurate as of March 31, 2022.

Thank you for being a bright light for our community!

As a visionary Leader, you imagine a Winnipeg where everyone has the chance to thrive.

You want every child to succeed in school. You want every family to have a roof over their head and enough to eat. You want every Winnipegger to have the tools to find and maintain meaningful work. And through your gifts, you're doing exactly that.

By giving united, you helped raise a remarkable \$21 million for our community in 2021—even during a pandemic! How fortunate our community is to have caring people like you who give so generously, despite times of turbulence and uncertainty.

Because of you, our network of 125+ agencies and programs can help thousands of Winnipeggers find support for their families, mental health and addiction, and employment. Never have these services been more essential than now, as our neighbours hardest hit by the pandemic continue to rebuild their lives.

Your generosity means more people who have been laid off or lost work can be trained for a new job. More families can begin to heal conflict and trauma by accessing counselling. More kids can have a safe, welcoming, and inclusive place to go at neighbourhood drop-in centres.

We wanted to tell you just how much your kindness means to Winnipeggers who needed you the most. In this special tribute, we'll introduce you to Henry, Sumegha, Erica, and M.H., whose hardships transformed into hope—all because of you.

Friend, we are so grateful for your phenomenal support. Not only are you offering life-saving support to help Winnipeggers get through times of crisis, you're also building a strong foundation for them to reach for their dreams.

Thank you for offering Winnipeggers a better today and a more hopeful tomorrow. We couldn't do this work without you!

With our deepest gratitude,

Born into a life of abuse and poverty, Henry was only 11 when he was removed from his family and placed in care. By 18, he was fighting for his life on the streets. Riddled with anxiety, he began numbing his pain and trauma with alcohol.

You helped Henry discover his true potential at an Indigenous-led donor-supported agency. There, he gained employment, mentorship, and a safe place to heal. And today, he's a social worker for youth in care, helping them build brighter futures.

Thank you for giving Henry a second chance at life!

When Sumegha moved to Canada, it was difficult to settle in without any friends or family. Additionally, as a woman, she struggled to find work in the STEM industry, which she was deeply passionate about.

Because of you, Sumegha found the help she needed. You provided her with training so she could learn how to manage a business in Canada. Today, she runs her own IT company and feels deeply connected to this city she now calls "home."

Thank you for helping Sumegha navigate life in Canada and find the tools to thrive!

As Erica approached her teens, she began struggling with depression and anxiety. Her mom, a single parent, knew Erica could benefit from another supportive adult relationship in her life—someone who could offer friendship, encouragement, and guidance.

Thanks to you, Erica found all that and more in Melissa, her new mentor. After only a few months, Erica's self-esteem grew. She even became open to getting help for her mental health. And today, she can imagine a much brighter future.

Thank you for helping set up Erica for a lifetime of success!

After fleeing danger overseas, M.H. and his family found safety in Winnipeg. But adjusting to a new country wasn't easy. Most of all, he didn't know where to find the right supports for his two young sons, who have severe disabilities.

Because of you, a donor-supported family resource centre provided wheelchair-accessible transportation so M.H.'s boys could get to medical appointments. And, when M.H. was unable to work due to an injury, you made sure his family still had enough to eat.

Thank you for helping M.H. and his family find hope!
